Welcome to Bardmoor Golf & Country Club

8001 Cumberland Rd, Largo, FL 33777

Florida golf doesn't get any better than Bardmoor.

Broad, generous fairways that invite you to hit away: glistening water features add some sparkle to your round, and of course, abundant sunshine.

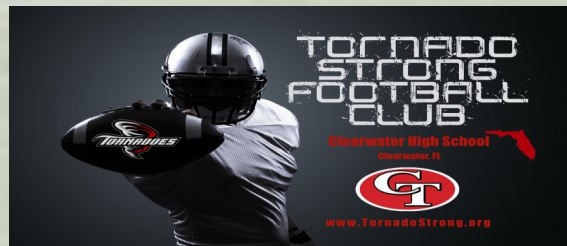

Arnold Palmer, Payne Stewart, Fred Couples and Tom Kite have played here.

These four members competed here annually in PGA/LPGA JCPenney Classic. Our course was a good test for the stars, and after 2003 renovations by Gary Koch, it's better than ever, even if you don't quite match up to the likes of the big names in the game.

You'll find our overall conditions are consistently excellent. We have Tif-Eagle greens that rival tour status, state-of-the-art practice facilities, an award-winning golf shop, and outstanding service complete your experience. Located minutes from some of the best beaches in Florida, Bardmoor is consistently rated as one of Florida's premier golf courses.*
