Matt and Doreas,

On behalf of Hollywood's Diamonds in the Rough, Inc., I would like to thank you for your donation on April 1, 2017 of a gift basket for our annual fundraiser auction. Hollywood's Diamonds in the Rough relies on the generosity of donors such as yourself and is grateful for your support. The basket was a iUGA hit and became the subject of a bidding war between Casey (our Golf Pro) and Mayor Josh Lowy, with the Mayor winning the bid!

No benefit was bestowed upon this donor in exchange for this contribution... other than the joy of giving to a youth development organization that for the past 18 years has been introducing children, ages 8-13, to the game of golf and reinforcing life-enhancing values through the sport.

Next April we will celebrate 20 years of Hollywood's Diamonds in the Rough! We hope you will join us in celebration on April 14, 2018 at our next Diamonds Golf Classic!

Thank you again for your support and kindest regards,

Malore Berger, M.S. | Executive Director
