To Whom It May Concern

My name is Teri Minogue and I am the general manager of the PGA Tour Superstore in Delray Beach Florida. I am writing to inform you of a super family that has been in the area and supported local charities for many years. Matt and his family Dee and Kathy have been instrumental in raising awareness and money for many local charities including wounded warriors project and Hospice. They take the extra steps to ensure success in whatever charities they take on. It has been our pleasure to work with them on some of these. A professional and spirited group that I am proud to have as a partner.

Sincerely

Teri Minogue
