Dear Matt and "Mom":

I wanted to take the time to thank you for the great job you did with our Wounded Warriors Project Golf Tournament. Everyone who participated had a great time. A great deal of that is due to your involvement. You guys are friendly, professional and efficient. Aside from that you have a great passion for the charities you work with. The men and women who receive the services of the Wounded Warrior Project have given so much and is it incumbent upon all of us to repay this debt. Your company should be very proud of what you do. It was great working with you and I look forward to working with you on other projects.

Warm Regards,
